Morso 5660 Conv. Wood Stove

\$3,350

Not just a Cast Iron promise for a modern lifestyle...

Danish wood stove innovators Morsø is adding yet another great product to its extensive range of cast iron wood stoves and inserts, the Morso 5660 Std.

Designed to meet the simplicity of modern, contemporary lifestyle, the Morsø 5660 Standard insert offers the discerning homeowner an unparalleled 'window of fire'. Clean lines, a huge window and a 4-sided 'picture-frame' make the 5660 Standard the epitome of Scandinavian Design and Function.

With greatly reduced smoke emissions and an outside air capability the 5660 surpasses Washington State standards; its rectangular firebox accepts 20" logs and is capable of producing a maximum heat output of 50,000btus/hr.
